Taking care of George & Mildred ~ This is really important, so please read...		
<p>Kombi Love are delighted to be able to share the Love Buses with you. George and Mildred are both showroom condition Deluxe Kombis, having appeared on TV and as featured in The Age. They offer the most authentic Kombi experience, and the most fun and cool way to travel to your formal. To make sure all customers have the same experience, guaranteed, we politely ask that no drink or food be consumed whilst onboard and that respect be shown at all times to these characterful Kombis and their drivers. We want and expect you to have loads of fun in the Love Buses but please remember that Kombi Love drivers have the right to terminate the journey should reason be given to do so. Furthermore Kombi Love will seek full reimbursement where malicious damage to Kombis is caused.</p>
